The Missing Man Table:

The tablecloth is white, symbolizing the purity of their motives when answering the call of duty.

The single red rose, displayed in a vase, reminds us of the life of each of the missing and their loved ones and friends who keep the faith, awaiting answers.

The vase is tied with a red ribbon, a symbol of our continued determination to account for our missing.

A slice of lemon on the bread plate is to remind us of the bitter fate of those captured or missing in a foreign land.

The spilled salt symbolizes the tears endured by those missing and their families who seek answers.

The Bible represents the strength gained through faith to sustain those lost from our country, founded as one nation, under God.

The glass is inverted to symbolize their inability to share this day's toast.

The chair is empty because they are missing.
