What is SMAAC?

Join us for the sixth annual Summer Music and Arts Camp!

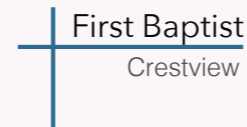

This week will be filled with exploring and learning musical, worship, and arts concepts at age-appropriate levels.

Children participate in various classes, such as choir and other special interest classes for further enrichment. The main emphasis is on learning, discovering, and experiencing the arts in ways that can be used in worship and praise in a fun way, plus they will present a mini-musical at the end of the week!

We offer children an opportunity to experience many ways to serve the Lord!
