

Simple Directions for WaveCast Assisted Listening System

Download the WaveCast Audio Receiver app by choosing the correct link below:

For Apple/iOS: <https://apps.apple.com/us/app/wavecast-audio-receiver/id1458383632>

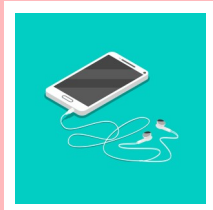

For Android: https://play.google.com/store/apps/details?id=com.williamsav.wavecast_receiver&hl=en_US&gl=US

Open the app.

Click on “FBC Crestview” to access whatever is going through the FBC sound system.

Using wired earbuds/headphones, you can adjust your personal volume through the app.

(Note: wireless earbuds/headphones may result in more delay and are not recommended.)

If you need additional help, please see a member of the Media Ministry team or contact
